

Dear Patients, Dentists, and Community,

Since its inception in 1996, Bryan Johnson Orthodontics has been dedicated to providing the best orthodontic patient care in the Willamette Valley. Dr. Johnson and his team are excited to announce the next phase of our journey, a rebranding that includes a new name and a fresh look. This transformation is designed to distinguish us from others and maintain our commitment to creating a vibrant and engaging environment for our patients.

We believe this rebranding will bring a fresh perspective and new opportunities for collaboration between our practices.

Bryan Johnson Orthodontics is now Bigfoot Orthodontics.

Dr. Johnson looks forward to his continued commitment to patient care; satisfaction remains unwavering. Along with Dr. Johnson, the team will continue to make every patient and parent happy with our treatment outcomes and to make everyone feel important, welcome, included, and safe. Our goal is to give our patients greater confidence and help contribute to their success in life by giving them a healthy, beautiful smile.

With our brand change, we wanted to keep the wonderful elements of the Great Pacific Northwest and add Bigfoot for fun and excitement.

Unlike Bigfoot, we are easy to find in our four locations: Salem, Stayton, Silverton, and Woodburn.

As we embark on this exciting new chapter, we eagerly anticipate the next phase of our relationship with you. Your support has been invaluable, and we look forward to continuing our journey together. Thank you for all you do!

Warm regards,

A handwritten signature in black ink that reads "Bryan Johnson".
